How to find us in Germany

When approaching from the North, exit the A8 motorway at the Stuttgart-Degerloch junction and then proceed to the right lane and join the B27 going in the Reutlingen/Tübingen direction.

Do not exit the B27 at the Reutlingen / Metzingen / Aichtal exit and stay on it until you reach to the Reutlingen-Nord (north) exit. At this exit you must take the B464 that leads into Reutlingen. Bear right when you reach the end of the road and then take the four-lane L378.

Take the left lane and then drive into the centre of Reutlingen. Bear to the right after you have passed underneath a railway bridge and then join the B312 in the Pfullingen/Sonnenbühl direction.

Now follow the signs and take the L382 on the right just before you reach Pfullingen. Drive straight through Pfullingen and you will then find yourself on the hill leading up to Sonnenbühl-Genkingen. Turn left when you reach the town centre and drive towards Sonnenbühl-Undingen.

Take the first street on the left just before you reach the town sign. You will now be able to see our company's premises.

We wish you a pleasant journey!
